Thank you, Seth, for confirming the extension. As discussed on the call, I have not had a chance to talk with my client, and we cannot commit to any productions or other actions regarding the subpoena yet. And, please do send any authority UCT has for enforcing a Rule 45 subpoena on a foreign corporation.

Best,
 Mark

Mark,

As discussed on our call, we confirm the 2-week extension (to March 17) for Realtek to provide its objections and responses to the subpoena. As discussed, in light of the discovery deadlines in our case, we expect Realtek to provide a substantive production in March, including the source code and schematics.

Also as discussed, the list of Realtek components is below.

Counsel,

My firm has been engaged to represent Realtek in regards to a subpoena from the UCT/Lenovo litigation (2:23-cv-00449) that was emailed to Ms. Lisa Nguyen. We propose scheduling a short call, so that UCT may provide context regarding this matter.

Best regards,

Mark
